

## WHO PLAYS WHERE?

We try to create some guidelines that players can use, but remember, these are only guidelines. Any LPC member is welcome to play on any LPC-reserved courts. This is a SOCIAL group. No one should EVER ask another member to leave because they are at the wrong skill session!

YOU DO NOT NEED TO SIGN UP OR REGISTER TO ATTEND ANY OF THESE CLUB PLAY TIMES. SIMPLY SHOW UP AND PLAY! Remember, the Loveland Pickleball Club does NOT use Playtime Scheduler! If you are relying on PTS to show you where to play, you will be missing out.

Mondays, Wednesdays and Fridays are designated for **Open Play at OSBORN**. Open Play is for all LPC members of any skill level. This is a chance for newer or lower-level players to play with other players that might be significantly better. A challenge for lower players and an opportunity for upper players to help lower-level players get better!

Tuesdays and Thursdays, six courts at **OSBORN** are designated for lower-level (Up thru 2.75) to be able to play **RECREATIONALLY** together as a group.

Tuesdays and Thursdays, four courts at **SUNNYSIDE** are designated for mid-level (3.0) to be able to play **COMPETITIVELY** together as a group.

Tuesdays and Thursdays, four courts at **CENTENNIAL** are designated for upper-level (3.25+) to be able to play **ADVANCED** together as a group. **THIS IS A CHANGE!**

We will no longer have courts reserved at Mehaffey in the mornings. We will still have Open Play at Mehaffey on Monday and Thursday evenings.
